Re: SSA-SSAT steady 3.411 hiring criteria for posting ID# 04-26

Date 10/08/2026

ALCON,

In deciding whether to select a new steady foreman at its operations, SSA-SSAT seeks a combination of skills, experience, responsibility and supervising ability that will best assist us in having a timely, efficient and safe operation. Factors we assess include the following:

- *Employer Complaint History of applicant.
- *No open Employer Complaints at the time of application.
- *Number of shifts worked as a foreman, at any Employer.
- *Number of shifts worked as a foreman, at our terminals.
- *Expressed interest by the applicant to our Management in being a steady foreman at our company.
- *Input from our Management about the applicant's suitability to be a steady foreman at our company.
- *Our overall assessment of the applicant's likelihood of being industrious, responsible, productive, efficient, in supervising all aspects of our operations.

Thank you in advance for showing interest in becoming a steady for our company.

SSA-SSAT Management Team.

Southern California Foremen Port Supplement
3.4111

1. The Employer posting for a steady foremen position will describe the criteria for the steady foremen job in the posting.
2. Each applicant for the posting is required to electronically submit the completed application to the Union. The Union will forward the completed application electronically to the person designated in the posting. The person designated in the posting to receive the application will confirm receipt of the application, and electronically send the confirmation to the applicant and the Union.
3. Every applicant who submits a completed application during the first 10 calendar days of the posting will be offered a phone interview at a time designated by the posting Employer. If necessary, subsequent interview methods shall be determined by the Employer and must remain consistent for all applicants receiving a 2nd interview.
4. The posting Employer can fill the job, or decide not to fill the job, any time after 10 calendar days from the date of the posting. The Employer will continue to interview applicants until the Employer fills the job or decides not to fill the job, or pulls the posting (as outlined in Item #3 above.).
5. The posting Employer will notify each applicant interviewed whether or not they were selected for the job, and will inform applicants who applied for a posted job after the Employer filled the job or decided not to fill the job that they would not be interviewed for that reason.
6. The posting Employer will inform Local 94 promptly upon hiring or deciding not to hire for a posted steady position, so Local 94 can take down the posting and inform members that the position is no longer open.
