Southern California Foremen Port Supplement
3.4111

1. The Employer posting for a steady foremen position will describe the criteria for the steady foremen job in the posting.
2. Each applicant for the posting is required to electronically submit the completed application to the Union. The Union will forward the completed application electronically to the person designated in the posting. The person designated in the posting to receive the application will confirm receipt of the application, and electronically send the confirmation to the applicant and the Union.
3. Every applicant who submits a completed application during the first 10 calendar days of the posting will be offered a phone interview at a time designated by the posting Employer. If necessary, subsequent interview methods shall be determined by the Employer and must remain consistent for all applicants receiving a 2nd interview.
4. The posting Employer can fill the job, or decide not to fill the job, any time after 10 calendar days from the date of the posting. The Employer will continue to interview applicants until the Employer fills the job or decides not to fill the job, or pulls the posting (as outlined in Item #3 above.).
5. The posting Employer will notify each applicant interviewed whether or not they were selected for the job, and will inform applicants who applied for a posted job after the Employer filled the job or decided not to fill the job that they would not be interviewed for that reason.
6. The posting Employer will inform Local 94 promptly upon hiring or deciding not to hire for a posted steady position, so Local 94 can take down the posting and inform members that the position is no longer open.

YTI HIRING CRITERIA

In deciding whether to select a new steady employee at our operations, Yusen Terminals LLC, seeks a combination of skills, experience, responsibility and supervising ability that will best promote a timely, efficient and safe operation. Factors we assess include the following:

- Employer Complaint history.
- No history of safety-related complaints.
- No open Employer Complaints at the time of application.
- Applicant has a history of leading on safety working at our terminal by:
 - Proactively working to prevent incidents, injuries, and illnesses.
 - Wearing appropriate Personal Protective Equipment at all times.
 - Wearing a properly positioned and buckled seat belt when operating a motor vehicle.
 - Refraining from using a cell phone or other electronic device while operating a motor vehicle or walking in an area where operations are taking place.
 - Adhering to the terminal speed limit of 20 mph.
 - Complying with all posted traffic signs and road markings.
- Prior experience as a steady employee in Los Angeles and Long Beach.
- Number of shifts worked at our terminal.
- Number of shifts worked at other terminals.
- Expressed interest by the applicant to our Operations Manager(s) in being a steady at our company.
- Determination from our Operations Manager(s) about the applicant's suitability to be a steady at our company.
- Operations Manager(s) overall assessment of the applicant's likelihood of being industrious, responsible, productive, efficient, and safe, in supervising all aspects of our operations.

Additional Criteria for Steady Planner:

- Ability to use mouse and keyboard to manage multiple windows at once in terminal planning system.
- Thorough understanding of vessel, yard, gate, and rail operations.
- Ability to retain information and processes learned during training.
- Ability to think cognitively and spatially.
- Ability to work productively and efficiently with little or no supervision.

Thank you,

YTI Management
